CABINET OPTIONS

There are many cabinet accessories available that do not come unless ordered. Toekick, castors and back panels are some examples.

CABINET OPTIONS

Pull Out Drawer Options

Pull Out Drawer Options

These pull out drawers are designed to install in any cabinet that has shelves, the bracket and the drawer come as one set. The brackets slide into the holes where the shelf clips normally go, and the undermount glides mount to that.

ROCK RUN CABINETRY

Warranty

LIMITED LIFETIME WARRANTY

Rock Run Cabinetry LLC warrants to the original consumer purchaser, for as long as they own their cabinet, that products shall be free from defects in manufactured materials and workmanship under normal use.

GENERAL WARRANTY GUIDELINES

Should Rock Run Cabinetry LLC products fail during the applicable warranty period due to defects in manufactured materials or workmanship under normal use and in compliance with our [Cleaning and Care Instructions](#), Rock Run Cabinetry LLC, in its discretion, will provide the parts necessary to repair or replace the defective products.

The warranty does not cover products that are misused, abused, mishandled, improperly cleaned, improperly installed, improperly stored, modified or act of God. This warranty is not valid for products used for any purpose other than the purpose for which they were originally intended. This warranty does not cover the cost of installation, removal, subsequent damage or transportation of defective product, regardless of whether the work was performed by a contractor, dealer, or the consumer.

Rock Run Cabinetry LLC finishes are premium exterior grade finishes. Over time, color changes may result from exposure to light and other elements that are part of the aging process. These material variations and changes are not covered by this warranty. Rock Run Cabinetry LLC warrants to the original consumer purchaser that its finishes are free from defect, including flaking, peeling, cracking, or massive discoloration for a period of 3 years, from purchase, under normal use.

Rock Run Cabinetry LLC reserves the right to provide parts for repair or replacement of the defective parts and substitute any discontinued product with the most similar product in styling, finish and color available at the time the claim is submitted without the obligation to provide product to match items previously manufactured by Rock Run Cabinetry LLC. Rock Run Cabinetry LLC also reserves the right, at its discretion, to reimburse customer instead of providing product for replacement.

Rock Run Cabinetry LLC, at its discretion, will cover freight costs.

All parts are not manufactured by Rock Run Cabinetry LLC are warranted for the period provided by the original manufacturer. These parts typically include most accessories. Please contact Rock Run for details.

The warranty is an exclusive warranty of Rock Run Cabinetry LLC and is in lieu of all other warranties, expressed or implied. In no event shall Rock Run Cabinetry LLC be liable for consequential, indirect or incidental damages resulting from the installation, use or failure of the product. Rock Run Cabinetry LLC reserves the right to change or modify this warranty at any time.

Some states do not allow the exclusion or limitation of the incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary from state to state.

ROCK RUN CABINETRY

Cleaning & Care

CLEANING AND CARE INSTRUCTIONS

Thank you for your Rock Run Cabinetry LLC purchase. Regular cleaning and maintenance promotes the beauty and longevity of your products and ensures a lifetime of use.

We recommend regular care and cleaning of your products to promote product life.

- Routine cleaning can be accomplished by rinsing away dirt and debris. Follow this by gently wiping with a damp, non-abrasive cloth or sponge using warm water. Follow this by towel drying to prevent water spotting.
- If additional cleaning is necessary, mild soap can be used. Caution – the use of solvents, abrasives, or dish washer detergent will damage the product's finish.
- Always test any cleaning solution in an inconspicuous area before applying to the entire product.

Do not store objects on the surface for any extended periods of time as these can trap moisture and debris.

Do not place hot items on any part of the finished surface. Damage created by hot items can be minimized by cleaning and buffing, but will typically never be eliminated. This type of damage will not be covered under warranty.

CAUTION – Ceramic materials and other abrasive textures can cause damage to the painted surfaces.

CAUTION – Take care to never let hot ash come in contact with the painted surface of this product. In addition, wet ash can become corrosive over time, so keep all surfaces free of ash debris.

CAUTION – Appliance and stainless steel cleaning solvents are harmful to your Rock Run Cabinetry product's finish and should not come in contact with the surface at any time. Take care to spray the solvent onto a cloth and wipe only on the appliance surface.

Minimize the natural aging of your product by storing your cabinet in a dry, shaded area to reduce fading. Please contact your dealer for details.

Light or superficial scratches to the finish are likely to occur during normal use and do not affect the integrity of the product.
